

# Elk Animal Puzzle

Ver 1.0.2-080518

## Puzzle Pieces

- Start with an piece of 3/4" thick piece of hardwood at least 6" x 6" of your choice
- Drill entry holes (orange crosses) and cut out the holes in the legs, the eye and the antlers
- Cut the outline of the Elk/Base combination
- Cut the vertical base from the Elk
- Cut out the head and individual letters
- Sand both faces of pieces

## Base

- Cut a piece of 3/4" thick hardwood 1-3/4" wide and 6" long
- Round over the edges
- Glue the vertical base piece centered on the horizontal piece
- Finish as desired
